

provided information related to trusted computing platform to portable device

Search Patents

[Advanced Patent Search](#)**Patents** Patents **1 - 10** on **provided information related to trusted computing platform to portable device.** (0.29 seconds)▸ **List view**[Cover view](#)Did you mean: **provide** information related to trusted computing platform to portable device▸ **Sort by relevance**[Sort by date \(new first\)](#)[Sort by date \(old first\)](#)[\[APPLICATION\] Method and System for Implementing a Mobile Trusted Platform Module](#)

US Pat. 11840823 - Filed Aug 17, 2007 - Fujitsu Limited

The TPM chip is used to **provide trusted information** on the identity and internal state of the **computing device** in order to validate the current ...▸ **Any status**[Issued patents](#)[Applications](#)[Data integrity monitoring in trusted computing entity](#)

US Pat. 7457951 - Filed May 25, 2000 - Hewlett-Packard Development Company, L.P.

The **trusted** token device is a personal and **portable device** having a data ... The **information** gathered by such a query is **provided** by the **computing** entity's ...[Method and apparatus for using a secret in a distributed computing system](#)

US Pat. 7779267 - Filed Sep 4, 2001 - Hewlett-Packard Development Company, L.P.

Such a **trusted device** is typically located within a **computing platform** and is ... protected from other processes mining on the same or **related** hardware, ...[Multiple trusted computing environments](#)

US Pat. 7865876 - Filed Jun 18, 2002 - Hewlett-Packard Development Company, L.P.

More detailed background **information** is **provided** in "TCPA Specification Version 1.0" published by the **Trusted Computing Platform Alliance**. ...[Multiple trusted computing environments with verifiable environment identities](#)

US Pat. 7076655 - Filed Jun 18, 2002 - Hewlett-Packard Development Company, L.P.

Here again, the user optionally employs **trusted** hardware, such as the user's own client **platform**, a PDA, **mobile** phone or other **device**, optionally in ...[\[APPLICATION\] METHOD FOR ELECTRONIC VOTING USING A TRUSTED COMPUTING PLATFORM](#)

US Pat. 11854896 - Filed Sep 13, 2007

No matter what function the ancillary **devices provide**, they must all be part of the **trusted computing platform**. [0127] During elections, voters typically ...[Data event logging in computing platform](#)

US Pat. 7194623 - Filed May 25, 2000 - Hewlett-Packard Development Company, L.P.

The **trusted** token device is a personal and **portable device** having a data ... The **information** gathered by such a query is **provided** by the **computing** entity's ...[\[APPLICATION\] SYSTEM FOR ELECTRONIC VOTING USING A TRUSTED COMPUTING PLATFORM](#)

US Pat. 11854859 - Filed Sep 13, 2007

In **devices** that implement the **Trusted Computing** Group standards, ... the ancillary **devices provide**, they must all be part of the **trusted computing platform**. ...[Computer platforms and their methods of operation](#)

US Pat. 7461249 - Filed Aug 11, 2000 - Hewlett-Packard Development Company, L.P.

The **trusted** token device is a personal and **portable device** having a data ...
